PROFILE

As a Computer Science student (BSc) aspiring to become a Mobile and Web Developer, I'm eager to apply my theoretical knowledge, especially in React front-end and mobile app development, through an internship. Despite being new to the professional scene, I offer a fresh perspective, quick learning abilities, and a passion for creating user-friendly experiences. Additionally, I bring leadership skills that complement my commitment to contributing positively and growing within a dynamic team.

PROJECTS

JOB VACANCIES WEBSITE
Front end developer

- The web site we created for find part time jobs for university students.
- We used HTML, CSS and JavaScript for front end development.
